

Architectural floor plan of a building with two symmetrical wings. The plan shows a central corridor (1) connecting two main sections. Each section contains a staircase (F), a server room (机房), and various rooms labeled with codes like RHC-01, RHC-02, and RHC-3. Dimensions are provided for various sections, including a total width of 46400 and a total length of 46400. The plan also shows structural levels (34.500 and 31.500) and a note about a 200x100mm drainage hole.
